

General Construction Induction (White Card)

Enrol online at: <https://bit.ly/2THq8md>

This General Construction Induction (White Card) training covers the mandatory work health and safety requirements needed prior to undertaking construction work.

This unit requires the person to demonstrate personal awareness and knowledge of health and safety legislative requirements to work safely and prevent injury or harm to self and others. Participants will learn to identify and orally report common construction hazards, understand basic risk control measures and identify potential incidents and emergencies.

Upon successful completion of this training you will receive a SafeWork General Construction Induction (White Card) and a nationally recognised statement of attainment for the following units of competency:

- CPCCWHS1001 Prepare to work safely in the construction industry

This is a 1-day course run at various locations around NSW.
